7. [REDACTED] Met with Representative Theodore R. Kupferman (R., N. Y.) in response to a letter to the Director relating to allegations of CIA retention of attorneys for witnesses or parties involved in the New Orleans investigation. I advised Mr. Kupferman that officially it was necessary that the Agency have no comment on such allegations. He was advised for his own information that as a matter of courtesy to him from the Director that the Agency is not supporting or providing attorneys. In response to his query whether "cover considerations" might not require us to deny, I advised him that if such were the case our response would be that we could not respond to his question. This pleased Mr. Kupferman and he indicated his appreciation for the Director's consideration since this is a matter of some interest to him. No further action is desired by the Representative on this letter.
